

# Woodland Elementary West School Garden Fundraiser

Help us raise money for the Woodland Elementary West Harvest Garden by purchasing copies of the critically-acclaimed story, ***Our Generous Garden***. During this special promotion, **up to \$5.00 from each book sold** goes directly to Woodland Elementary to create and maintain our seed-to-table vegetable garden.

Each year our second-grade students plant seeds in their classrooms, care for the seedlings, and plant them outdoors in late spring. Families volunteer over the summer to weed, water and harvest the vegetables, which are donated to the Warren Township Food Pantry. Last year, we gave more than 900 pounds of vegetables to hungry people. The garden helps teach our children healthy eating habits and where food comes from, focuses on core values of respect and responsibility, and shows students they can change their community.

## ***Our Generous Garden***
