

Woodland Elementary West School Garden Fundraiser

Help us raise money for the Woodland Elementary West Harvest Garden by purchasing copies of the critically-acclaimed story, ***Our Generous Garden***.

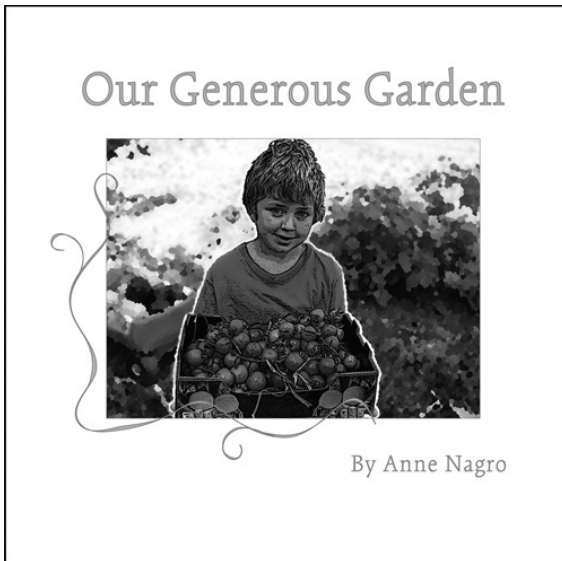

Garden volunteers will be selling the book at **Curriculum Night on Sept. 16**. During this special promotion, **up to \$5.00 from each book sold** goes directly to Woodland Elementary West to create and maintain our learning garden.

Each year our second-grade students plant seeds in their classrooms, care for the seedlings, and plant them outdoors in late spring. Families volunteer over the summer to weed, water and harvest the vegetables, which are donated to the Warren Township Food Pantry. Last year, we gave more than 900 pounds of vegetables to hungry people. Students then tour the garden as returning third graders in the fall. The garden helps teach our children healthy eating habits and where food comes from, focuses on core values of respect and responsibility, and shows students they can change their community.

Please support our outdoor classroom. Cash and checks accepted.

This makes a great holiday gift for friends, grandparents, neighbors and relatives, and the proceeds go to a great cause!

Interested in helping with the garden effort? Call the office at (847) 856-3630. We value your support!

Our Generous Garden

Cost: **\$12.95**, Soft cover
Size: 8 ¼ x 8 ¼ inches
